

To: The Village of Boonville

March 22, 2022

It is with a heavy heart and hand I write to inform you I will be resigning my position of Mayor for the Village of Boonville effective immediately. This will also allow time for someone to be elected this November to finish out my current term.

As you all know I have faced a life changing health issue recently and have been advised I need to reduce as much stress as possible. The past few months have been extremely stress filled allowing me to realize the effects and needs to eliminate that.

I have spent most of my life serving the Village of Boonville. When I retired, I wanted to continue serving and aid in the growth of Boonville. I was honored to be elected as Mayor by those I served for 21 years. While the first year was overwhelming the second and third presented new challenges daily. Most people do not realize all the position entails. While some weeks only require about 5 hours of time most seem to consume 20 – 40 hours per week to do the job efficiently.

That being said, I would like to thank each and every employee past and present along with Village Board of Trustees. None of this would exist or be possible without each and every one of you. You are a team and a family I will miss being a part of. To my constituents I thank you for your trust and support. While gone from office I will stay involved in our community. I wish you all the best.

Respectfully

Eric W. McIntyre
