

ERWIN PARK PAVILION RENTAL INFORMATION

The Village of Boonville accepts reservations on only 2 of the 3 pavilions that are in Erwin Park. The Livingston Lansing and the Ethan Allen Pavilions are able to be reserved, the Robert Smith Pavilion may be used on a first-come-first-serve basis, there is no charge for this pavilion.

The Lansing Pavilion is a little larger and is located closer to the restroom facility and you would enter/park on the backside of Erwin Park, off from Moose River Road. The Ethan Allen pavilion is a little bit smaller, is accessible on the front side of the park (NYS Route 12) and is closer to the splash pad, smaller playground and the sand volleyball court and basketball court. In the months of June, July, and August the rental price is \$80 (cash, check or money order). In the months of May and September the rental price is \$40. Reservations are for the entire day. We ask that no glass bottles/containers be brought into the park and no animals are allowed in the park. If you choose to rent a pavilion I can write your name down tentatively, however it is considered officially reserved when I receive your payment.

Upon receipt of your payment and the pavilion reservation form by the Village Clerk, the pavilion is considered officially booked.
